

## It is about Mainstream Values

***“The best way to create long term reform is to flip the state legislature from Republican control and extremism, to mainstream political values under Democratic Party control.”***

**- Bob Karp upon filing to run in the Democratic Party Primary.**

## Values I Support

- ◆ Public school education as the priority for the AZ budget
- ◆ Codifying abortion rights in the state constitution
- ◆ A bigger voice for rural communities in state government
- ◆ Non-partisan, safe & secure, fraud-free election system that has served Arizona well for over three decades
- ◆ Fair tax policies that are not giveaways to special interests
